

Kiwanis Club of Yountville Funding Request Program

The Kiwanis Club of Yountville funds many initiatives each year with our hard earned funds. Many of those initiatives are regional and worldwide Kiwanis projects but others are headed by local organizations.

In an effort to ensure that the local organizations we fund continue to have a verified need as well as continue to fit into the goals of the Kiwanis organization, we are asking for funding requests to come forward on the Funding Request Form.

In order to apply for Kiwanis Funding:

- Your project is a Community Service initiative that serves the Yountville Community.

AND/OR

- Your project is a Youth Service initiative assisting children locally, regionally and worldwide. Local serving projects will receive priority.

AND

- Your organization must be a non-profit 501c3 organization or other not-for-profit entity.

Applications will be reviewed by a committee of Kiwanis Club of Yountville Members and ranked based on the responses given. Applicants will receive notification of funding status within 30 days of application.
